

## Notes of Guidance

### Completion of Medical Certificate for

### Deferred Members who Left on or after 1 April 1998 and before 1 April 2008

#### The Completion of the Form

- If option A has been completed 'WAS NOT', the deferred member **does not**, in the medical opinion of the approved registered medical practitioner, meet the criteria for early release of the deferred pension benefits under the LGPS.
- If option A has been completed 'WAS', the deferred member **does**, in the medical opinion of the approved registered medical practitioner, meet the criteria for early release of the deferred pension benefits under the LGPS.
- Please note that Section 2(B) should only be completed for those deferred members that are under the age of 55.
- If option C1 has been ticked, the Pension Fund administering authority may pay the deferred member a lump sum equal to 5 times the deferred member's annual pension. If such a payment is made this does not constitute a pension input amount for the purposes of the annual allowance test under the Finance Act 2004 as the person meets the 'severe ill health condition' under section 229 of that Act.
- The opinion given by the approved registered medical practitioner does not, in itself, give entitlement or otherwise to early release of the deferred pension benefits under the LGPS. Nor should the medical practitioner indicate to the deferred member that such an award will or will not be made. It is for the former employer to make the formal award determination.

#### Glossary of Terms

- The Independent Registered Medical Practitioner signing the certificate must have been approved for this purpose by the administering authority.
- 'Permanently incapable' means that the deferred member will, more likely than not, be incapable of discharging efficiently the duties of their former employment with the employer because of ill health or infirmity of mind or body until, at the earliest, their 65th birthday (age 70 in the case of former coroners).
- Certification of limited life expectancy of less than 1 year may only be provided by a fully registered person within the meaning of the Medical Act 1983. The full text of the Act can be found at [www.gmc-uk.org/about/legislation/medical\\_act.asp#2](http://www.gmc-uk.org/about/legislation/medical_act.asp#2)
